

AMBER Alert Europe

Check. Think. Report.

Thank you for joining our annual prevention campaign for International Missing Children's Day. This year, we focus on providing parents and caregivers with the necessary information on what to do when their child goes missing. The Check. Think. Report. campaign provides a step-by-step guide on how to react promptly and effectively. It focuses on three key actions: "Check" to confirm the absence of the child, "Think" to gather and process important details, and "Report" to quickly inform the relevant authorities. The guidelines provide all you need to promote the campaign.
